

Sumner Schwartz: Feldman and Associates, Inc; Current SMBA Trustee

Hello friends! I, Sumner Schwartz, am running for SMBA President because of my great love for our community and the organization that makes it possible for us to eat and schmooze. I've met so many of you at our events over the past four years, including the Tuesday Toasts that I helped organize at Solidarity and Osteria del Fornaio. I look forward to carrying those friendships forward and developing new bonds. My presidency would keep politics out and the party in. I also plan on holding an additional lunch event every month to create another opportunity for professionals to meet one another and keep up our tradition of eating and schmoozing.
